RIO™

Wave~Action™ System - Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades. The Wave~Action™ System has a unique container and blade design for smooth results every time.

20 Second Daiquiri - When thirsty customers are waiting, you can blend 0.47 ltr drinks in 20 seconds flat.

Two Speeds with Pulse Option - Offers versatility and precision blending for a wide variety of food and drink mixtures.

Durable Stainless Steel Blades - Four stainless steel blades are made to last and get the job done fast.

1.3 ltr Stackable Container - Break-resistant polycarbonate container with easy-to-read measurement marks stacks up for storage.
